Onesie homage to 'Sex and the City'

Because a girl is never too young to appreciate shoe-loving Carrie Bradshaw — heroine of the late, great TV series and upcoming "Sex and the City" movie sequel — check out this 100% cotton onesie.

It's available in sizes 6 to 18 months. A T-shirt with the same message is available in sizes up to 4T. Price: \$16 at thepreciousclub.com.

But don't stop there. The fun site stocks several more tops for baby, including one that features an image of a stroller and the words: "This is how I roll." Another says: "Does this diaper make my butt look fat?"

Meanwhile, mark your calendars: "Sex and the City 2" opens in theaters on May 27. Word is that the fab foursome — Carrie, Miranda, Charlotte and Samantha — will be headed to Abu Dhabi.
