## These baby T-shirts and onesies are precious

I think these are some of the cutest T-shirts and onesies I've seen in a long time. They're from the Precious Club, [www.thepreciousclub.com](http://www.thepreciousclub.com).

I'm not the only one who thinks the clothes are precious either. Celebrities moms Jessica Alba, Katherine Heigl and Kourtney Kardashian are dressing their children in the T-shirts and onesies. They sell for \$16 each.
